About Bell Fencing:

Who are they?

Bell Fencing Contractors began in 2007 when Mark Bell, after six years of experience working for a large fencing company in Essex, made the decision to start his own business. As with any new business, the first year or two were quite difficult however over the past few years the company has grown and continues to do so.

During quieter periods, Mark ventured into other areas of trade and so has developed many skills as well as strong relationships with other local tradesmen.

Due to over ten years' experience, Bell Fencing Contractors has been able to meet and exceed customer expectations and deliver a professional, thorough and reliable service. Although the main trade is fencing, Bell Fencing has completed many large decking jobs, pergolas, sleeper retainers, and raised beds. Bell Fencing can also build bespoke sheds, workshops, summer houses and log cabins to fit any shape or size area.

What can they do for you?

Fencing, decking, sheds, summer houses, pergolas: they can also help with major landscaping projects. Just go to them with your ideas and they'll do their best to make it happen.

Stables & Equestrian Centres

Bell Fencing has built and maintained numerous stables and several equestrian centres.

Please call them on 07786 914823 to discuss your ideas.
